

Found In You

Gateway Worship

All my sins are gone washed away white like snow
Brought to light from pain I'm redeemed, held by grace
I'll be found in You, Lord I'll be found in You, Lord.

As a child I rise I've borne my cross to live in Christ Fill me
with Your fire Spirit fall, my heart is Yours.
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord

Once a slave but now set free, Once was blind but now I
see I'll be found in You, Lord I'll be found in You, Lord
Once an orphan now a king Once a liar now believed I'll
be found in You, Lord
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord
Once a slave but now set free, Once was blind but now I see
I'll be found in you, Lord
I'll be found in you, Lord
Once an orphan now a king, Once a liar now believed
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord
I'll be found in you, Lord
