

Good to Me

Gateway Worship

You've been a friend by my side
The ups and downs of my life
With every mountain I climb
I love You more and more

With You is where I belong
With You is where I am home
Your kindness leaves me in awe
I love You more and more
I love You more and more

I know that You are good
Through the fire, You're beside me
I know that You are good
You will never forsake me
I know that You are good
You're so good to me, yeah
Oh, You're so good

No one else cares like You do
No one more honest and true
With every day spent with You
Lord, I love You more and more
And I praise You more and more

I know that You are good
Through the fire, You're beside me
I know that You are good
You will never forsake me
I know that You are good
You're so good to me
I know that You are good
Through the fire, You're beside me
I know that You are good
You will never forsake me

I know that You are good
You're so good to me, yeah

I won't back down to this fear
I won't cave in to this doubt
No matter what comes, I'll shout
You're so good, You're so good
And I won't back down to this fear
I won't cave in to this doubt
No matter what comes, I'll shout
You're so good, You're so good
And I won't back down to this fear
I won't cave in to this doubt
No matter what comes, I'll shout
You're so good, You're so good

I know that You are good
Through the fire, You're beside me
I know that You are good
You will never forsake me
I know that You are good

You're so good to me
I know that You are good
Through the fire, You're beside me
I know that You are good
You will never forsake me
I know that You are good
You're so good to me, yeah

No matter what comes, I'll shout, You're so good
No matter what comes, I'll shout, You're so good
