

How to Worship a King

Gateway Worship

You give me joy
You give me life
You give me strength
To stand in the fire
Now I can live
Live what I sing
Showing the world
How to worship a King

Lord, I give You thanks
God, I give You praise
I give You a life that shows
Iâ€™m living like a child who bears Your name
Now with every day
Let my life proclaim what I sing
I worship my King

With all my heart
All my strength
All that God has given me
This is how I worship my King
