

# I Have a Savior

Gateway Worship

I have a Savior  
A Friend forever  
The Lover of my soul  
Through every trial  
He won't forsake me  
I'll never be alone

All I'll ever need is Jesus  
All I need to sing is His name  
All my heart belongs to Jesus  
By His grace and mercy I'm saved  
Yes I am

There are no riches  
That could persuade me  
Or steal away my soul  
I have been ransomed  
Now and forever  
My Savior, my Reward

All I'll ever need is Jesus  
All I need to sing is His name  
All my heart belongs to Jesus  
By His grace and mercy I'm saved  
All I need God  
And You will live and have my being  
Yes I do

You're my future and my hope  
You're the anchor of my soul

Oh and I was made for You  
You're my future and my hope  
You're the anchor of my soul  
(And I was made for You)  
And I was made for You  
(You're my future and my hope)  
You're my future and my hope  
(You're the anchor Jesus)  
You're the anchor of my soul  
(And I was made for You)  
And I was made for You, oh oh  
I was made for You (Jesus, I)  
I was made for You

All I'll ever need is Jesus  
All I need to sing is His name  
All my heart belongs to Jesus  
By His grace and mercy I'm saved  
All I'll ever need is Jesus  
All I need to sing is His name  
All my heart belongs to Jesus  
By His grace and mercy I'm saved

All my heart belongs to Jesus  
By His grace and mercy I'm saved
