

It Is Finished

Gateway Worship

Over wrongs I've done
Over my distress
Over fears I've held
You have spoken
Over suffering
Over past regret
Over sin's disease
You have spoken

All these things will fall
Gone once and for all
When You said...
It is finished, death has lost its sting
I'm forgiven, Your blood my victory
Now forever, I will stand and sing
Hallelujah, it is finished

As I face the dark
I will walk by faith
Holding to the truth
That You have spoken

All these things will fall
Gone once and for all
When You said...

It is finished, death has lost its sting

I'm forgiven, Your blood my victory
Now forever, I will stand and sing
Hallelujah, it is finished

And at the cross, You took my place
You traded death so I can live again
I can live again
Oh, at the cross, You took my place
You traded death so I can live again
I can live again!
'Cause You said...
It is finished, death has lost its sting
I'm forgiven, Your blood my victory
Now forever, I will stand and sing
Hallelujah, it is finished
Hallelujah, it is finished

And at the cross, You took my place
You traded death so I can live again
I can live again
