

# Let My Soul

## Gateway Worship

What words could I speak to unspeakable love  
What song could I sing to the King  
And how could it be that the God of the world  
In all of His glory knows my name

Let my soul  
Let my soul cry out  
Singing hallelujah  
Singing hallelujah  
Let my soul  
Let my soul cry out  
You were forsaken for the sake of me  
Broken that I may be free  
A slave to my sin ransomed by Your blood  
By Your love I am released

Let my soul  
Let my soul cry out  
Singing hallelujah  
Singing hallelujah  
Let my soul  
Let my soul cry out  
Singing hallelujah  
Singing hallelujah

With every breath in me  
With creation, I will sing  
For all eternity  
Praise the Lord, praise the Lord

With every breath in me  
With creation, I will sing  
For all eternity  
Praise the Lord, praise the Lord  
With every breath in me  
With creation, I will sing  
For all eternity  
Praise the Lord, praise the Lord  
With every breath in me  
With creation, I will sing  
For all eternity  
Praise the Lord, praise the Lord  
Praise the Lord

Let my soul
