

Let the Heavens Open

Gateway Worship

You are welcome in this place
Welcome in our hearts
Come and have your way
God, meet us face to face
All consuming fire
Move without restraint

Breathe on us
Spirit come
You're our heart's desire

We stand in the glory of the king
Knowing that you're here
You have set us free
You're here
Let our worship be your throne
Amazed by who you are
Your presence makes us whole

Breathe on us
Spirit come
You're our heart's desire

Breathe on us
Spirit come
You're our heart's desire

Breathe on us
Spirit come
You're our heart's desire

Let the heavens open
Let your kingdom move
All our faith and hope in
Our great God
