

Living For You

Gateway Worship

This is the day, the hour, the time I give it all away to
You

I wanna say I'll go Your way, living my life for
something real

I can't survive, I can't go on if I'm with- out You by my
side

I wanna spend eternity with You

You've turned my world upside down

My life is spinning 'round You now, all of me, all for
You

I'll let my light shine for You

Nothing's gonna stop me now, I'm living for You

You've turned my world upside down

My life is spinning 'round You now, all of me, all for
You

I'll let my light shine for You

Nothing's gonna stop me now, I'm living for

You've turned my world upside down

My life is spinning 'round You now, all of me, all for
You

I'll let my light shine for You

Nothing's gonna stop me now, I'm living for You
