

## Save Me

Gateway Worship

In desperate need of mercy, at the end of my own strength  
I fall upon the kindness of Your grace  
Lord, I know that You are good, You came to rescue me  
So please, hear my humble plea

Save me, Lord, save me  
I have nowhere else to go  
Lord, I trust in You alone  
To save me, my Savior  
I call on Your Name, Jesus save me

Lord, I believe You died to set me free  
Lord, I believe in You  
Lord, I believe Your blood has ransomed me  
Lord, I believe in You, Lord
