

See You Move

Gateway Worship

Every prayer I know You know
What I'm waiting for
Here and now or down the road
Either way it goes

Your yes is perfect, and Your no is too
I will trust in You

I will remember
Your faithfulness
I'm confident
I will see You move
You never leave me
You're always near
I know You're here
I will see You move

In the day to day, in the in-between
I'm not letting go
Oh help me see something real
Oh God of miracles
I will remember
Your faithfulness
I'm confident
I will see You move
You never leave me
You're always near
I know You're here
I will see You move
Yeah, I will see You move

You don't delay Your promise
You finish what You started
I know I will see Your goodness
You won't withhold Your presence
Your power has no limit

I know I will see Your goodness
You don't delay Your promise
You finish what You started
I know I will see Your goodness
You won't withhold Your presence
Your power has no limit
I know I will see Your goodness
Oh I will see it, in the land of the living
In the land of the living
Oh You keep your promises
Faithful God, faithful God
I will remember
Your faithfulness
I'm confident
I will see You move
You never leave me
You're always near
I know You're here
I will see You move
I will remember

Your faithfulness
I'm confident
I will see You move
You never leave me
You're always near
I know You're here
I will see You move

You are here
Right here with me
Oh You're not going anywhere
Oh You're love is so great
I won't forget everything that You've done
Oh let faith arise
Let faith arise
