

Victory

Gateway Worship

The song of the redeemed rises through the clouds
There'€™s freedom in the blood of Jesus
Darkness trembles at His feet
Satan has no power
There'€™s freedom in the blood of Jesus

There'€™s victory in the cross
I'€™m breaking free
All my chains are gone
I will sing until my lungs give out
Iâ€™m gonna shout
Now that Iâ€™ve found victory

Oh how great a love to take my sin and shame
Thereâ€™s power in the blood of Jesus
This same Spirit thatâ€™s in me overcame the grave
Thereâ€™s power in the blood of Jesus
Thereâ€™s power in the blood of Jesus
Thereâ€™s power in the blood of Jesus

Sin has no hold on me
Sin has no hold on me
Sin has no hold on me
Sin has no hold on me
