

We Are One

Gateway Worship

Lord, let it be, as you prayed it be
Your church, as one, for the world to see
Your kingdom come in all the earth
We wanna shine, wanna shine so bright
Your light in our hearts
Declares who You are
We are one in Your love
We are one in Your love
Our anthem is Your name
United by grace
We are one in Your love
We are one in Your love
Let voices rise, lifted high in praise
A joyful sound breaking ev'ry chain
Your will be done in all the earth
We wanna shine, wanna shine so bright
Your light in our hearts
Declares who You are
We are one in Your love
We are one in Your love
Our anthem is Your name
United by grace
We are one in Your love
We are one in Your love
Oh We are one in your love God
And though the night is dark
We'll shine like brilliant stars
Your light in ev'ry heart
Declares how great You are
And though the night is dark
We'll shine like brilliant stars
Your light in ev'ry heart
Declares how great You are
Your light in our hearts
Declares who You are
We are one in Your love
We are one in Your love
Our anthem is Your name
United by grace
We are one in Your love
We are one in Your love
We are one in You
We are one in Your love
