

Everything's within my reach  
Look at the sun  
Look at the sky  
Don't you worry  
You will get yours  
As soon as I get my hands on you  
Just as soon as I get my hands on you

Berget vaknar!

Our eyes light up the night sky  
Our breath makes wind and move trees  
Your sleep will go on unnoticed  
For tonight is endless  
For tonight is endless

Bergen vaknar!

Time is elastic  
But stain of men  
Is hard at work  
For the final chapter

The earth splits open!
