

Exoskeleton

GAUPA

Domino effect
When slicing a stone
Coming for you, foam and all
You're out of your district
And they're coming for you

Soon your hands are covered too
Exoskeleton nails grow through you

Exoskeleton dissolves the bones
Exoskeleton ate the clone
Exoskeleton dissolves the bones
Exoskeleton, when you hear them you're gone

Just like quicksand
You drip to the floor
Your redundant blood
Knitted to the moor

All your nerves infected too
You're enough, just see this through

Exoskeleton dissolves the bones
Exoskeleton ate the clone
Exoskeleton dissolves the bones
Exoskeleton, when you hear them you're gone
