

My Sister Is A Very Angry Man

GAUPA

I shaved my heart for a wicked lady
Guess I'm programmed with a faulty compass
Do not!
Blow this apart like you blow kisses
On an injured thumb
Burns like these
Are best left alone

What is this?
The third degree?
She is eating me
Alive
Alive

Compassion threw you to the lambs
No side-effect bites down as hard as you do
Dormant!
Snake in the grass plunge heavy vengeance
On the ninja thumb
And what you do is unhinged
Kickin' open doors

What is this?
The third degree?
She is eating me
Alive
Alive
