Black Sheep

Gavin Adcock

Think you're gonna clean me up
Gonna smooth out all my rough
Think you're gonna drag my ass outta town
Keeping me off the hard stuff
Think you're gonna dump out my glass
Girl, you know me better than that

I've always been a black sheep
Lord knows I can't change
Baby, I'm a bad dream
Turn the sunshine into rain
You can walk this line and try to mend it
I'll break it again
Baby, I'm a black sheep
You can't fence me in

Say I'm going down this life
Say I'm just a waste of your time
This ain't my style to walk you down the aisle
Dressed in white

I've always been a black sheep
Lord knows I can't change
Baby, I'm a bad dream
Turn the sunshine into rain
You can walk this line and try to mend it
I'll break it again
Baby, I'm a black sheep
You can't fence me in

I've always been a black sheep
Lord knows I can't change
Baby, I'm a bad dream
Turn the sunshine into rain
You can walk this line and try to mend it
I'll break it again
Baby, I'm a black sheep
You can't fence me in
