

# If I Can't Have You

Gavin Adcock

I'll probably start some hard drugs, and get me a new tattoo  
I'll find me a fake love that holds me without a clue  
That you're hard up on my mind while stirred up on my lap  
You're a thought that I just can't undo

If I can't have you, lock me up and throw away the key  
'Cause free ain't a place where I need to be  
I'd be out stealing and killing, trying to chase this old thrill I knew  
If I can't have you

Toss me in a pine box, and cover me with old red dirt  
Put a bullet in my head, couldn't be much worse than this hurt

If I can't have you, lock me up and throw away the key  
'Cause free ain't a place where I need to be  
I'd be out stealing and killing, trying to chase this old thrill I knew  
If I can't have you

I'd be riding 'round in a ghost town on the outskirts of hell  
Don't think I could even live with myself

If I can't have you, lock me up and throw away the key  
'Cause free ain't a place where I need to be  
'Cause I'd be out stealing and killing, trying to chase this old thrill I knew  
If I can't have you  
If I can't have you
