

# The Battle

Gavin Adcock

I know this girl  
Yeah, she's real, real sweet  
Until she ain't  
And when I come home late  
And she been drinking  
She just wants to fight  
So we do

Yeah, and the battle rages onward  
On through the night and into the day  
Yeah, and something tells me nothing's  
Ever gonna change, it ain't gon' change  
And maybe by the morning  
She'll work up a sorry to say  
Yeah, and the battle rages onward  
On through the night into the day

Damn, she's beautiful  
A sight for sore eyes  
And you wouldn't know it  
But she's an angel in disguise  
And all the years I've held on  
Oh, how the good times flew  
So go on and cuss me every name in the book  
And I'll just keep on loving you

Yeah, and the battle rages onward  
On through the night and into the day  
Yeah, and something tells me nothing's  
Ever gonna change, it ain't gon' change  
And maybe by the morning  
She'll work up a sorry to say  
Yeah, and the battle rages onward  
On through the night into the day

I'm sorry, baby  
Even if I wasn't wrong  
You know I'm hard-headed  
I'm sorry it took me this long

Well, I've swam all the oceans  
I've climbed the mountains above  
So quit being so damn hateful, my dear  
And come here and give me some love

Yeah, and the battle rages onward  
On through the night and into the day  
Yeah, and something tells me nothing's  
Ever gonna change, it ain't gon' change  
And maybe by the morning  
She'll work up a sorry to say  
Yeah, and the battle rages onward  
On through the night into the day
