

# Heartbreak

Gavin DeGraw

Night

It's at night, whoa  
That's the time I get the call  
And I  
Would smile for  
Just because I turn you on

You wasted ticking, ticking time  
We didn't make it but we tried  
And baby that's okay  
Oh oh oh oh oh oh oh  
And now we're talking about your only  
Calling me up because you're lonely  
In the middle of the night  
Oh oh oh oh oh oh oh

Heartbreak isn't what it used to be  
Now it's a bedtime story, not a tragedy  
I got the silver lining on a cloud like that  
You let it rain so we won't come back  
Oh oh oh oh oh oh oh  
Heartbreak ouuuuuuu

Drink

When you drink, whoa  
Maybe you should hide the phone  
At least  
Try to think, whoa  
Instead of lashing out, right before you're passing out

You wasted ticking, ticking time  
We didn't make it but we tried  
And baby that's okay  
Oh oh oh oh oh oh oh  
And now we're talking about your only  
Calling me up because you're lonely  
In the middle of the night  
Oh oh oh oh oh oh oh

Heartbreak isn't what it used to be  
Now it's a bedtime story, not a tragedy  
I got the silver lining on a cloud like that  
You let it rain so we won't come back  
Oh oh oh oh oh oh oh

There's no fine print to read  
Go live your fantasy  
Your magic carpet ride  
Let go of tears that you cried

Heartbreak isn't what it used to be  
Now it's a bedtime story, not a tragedy  
I got the silver lining on a cloud like that  
You let it rain so we won't come back  
Oh oh oh oh oh oh oh

Heartbreak ouuuuuuu (4x)

When you drink, whoa
