Let Someone In

Gavin DeGraw

Underneath the surface, you're not hard to please
Simple satisfaction for simple needs
And this thing between us
What is there to lose?
Have a little faith like I have in you

Let someone in
It's so good
Open up
Let someone in
To your heart
Let me in

Look at what we've started, how we lit the fuse
When you look at me, I feel bulletproof
Let me be your shelter, let me be your shield
Let me be the one that your soul can feel

Let someone in
It's so good
Open up
Let someone in
To your heart
Let me in

Those hours, those minutes
Each, each one we've lived in
All of them lead up to this
One we're in

Let someone in
It's so good
Open up
Let someone in
To your heart
Let me in

Love, love, love, love, love
Love, love, love, love, love, love, love
Ooh, love, love, love, love, love
Love, love, love, love, love, love, love
Yeah
Love, love, love, love, love
Let someone in
Love, love, love, love, love

Let them in
Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love

```
Let me get in
Love, love, love, love, love
Love, love, love, love, love

Let me in, let me in, ooh
Love, love, love, love, love
Love, love, love, love, love (Love)
Love, love, love, love, love (Love, love)
Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love
Love, love, love, love, love
```
