

Summertime

Gavin DeGraw

I might never even know your name
If I hadn't taken half the time
To tell you that I had no shame
That I was gonna make you mine
But I let you be who you've become
Let the others wish they could have some
Let 'em have their bubblegum
While we fill up on summer

In the summertime
If I had a doubt, if I waited
In the summertime
Someone else might just've swung on in
In the summertime
Sun is comin' out
Celebrate it
In the summertime
We will never be this young again

Got a lot of catching up to do
And a lot of loving left to give
Less you feel you've got to prove
The more you wanna just let live
Even if you've been afraid of love
Or you're waiting for a little shove
A little bit could be enough
Just try it for the summer

In the summertime
If I had a doubt, if I waited
In the summertime
Someone else might just've swung on in
In the summertime
Sun is comin' out
Celebrate it
In the summertime
We will never be this young again

(In the summertime)
(Sweet, sweet, sweet summertime)
La-da-da-da-da-da-da-da, da-da-da
Ooh-ooh

In the summertime
If I had a doubt, if I waited
In the summertime
Someone else might just've swung on in
In the summertime
Sun is comin' out
Celebrate it
In the summertime
We will never be this young again

Yeah, in the summertime
If I had a doubt, if I waited
In the summertime
Someone else might just've swung on in
In the summertime
Sun is comin' out
Celebrate it
In the summertime
We will never be this young again, whoa
