# All For You

**Gavin James**

Slowly, I'm tryna find the old me
But I didn't notice, I'm the reason why I'm lonely

I don't know how I found you, but I found you
'Cause when I'm down, what would I do without you?

I'd do it all for you
I'd do it all for you
I'd do it all for you

It's a crisis, only I know why I'm like this
Through the darkness, I'll follow where your heart is

I don't know how I found you, but I found you
'Cause when I'm down, what would I do without you?

I'd do it all for you
I'd do it all for you

I don't know how I found you, but I found you
'Cause when I'm down, what would I do without you?

I'd do it all for you, you
I'd do it all for you
I'd do it all for you
I'd do it all for you
I'd do it all for you
