

Always

Gavin James

What am I supposed to do without you?
Is it too late to pick the pieces up?
Too soon to let them go?
Do you feel damaged just like I do?
Your face, it makes my body ache
It won't leave me alone

And this feels like drowning
Trouble sleeping
Restless dreaming

You're in my head
Always, always
I just got scared
Away, away
I'd rather choke on my bad decisions
Than just carry them to my grave
You're in my head
Always, always, always

Cracks won't fix and the scars won't fade away
Guess I should get used to this
The left side of my bed's an empty space
I remember we were strangers
So tell me what's the difference
Between then and now

And why does this feel like drowning?
Trouble sleeping
Restless dreaming

You're in my head
Always, always
I just got scared
Away, away
I'd rather choke on my bad decisions
Than just carry them to my grave
You're in my head
Always, always, always
Always, always

You're in my head
Always, always
I just got scared
Away, away
I know there's nothing left to cling to
But I'm still calling out your name
You're in my head
Always, always, always

Always, always, always
