

# Bitter Pill

Gavin James

They came down to the room  
And I could see it written all over you  
Since you already know  
That I said "sorry, but I gotta go"

And I'll rip these walls apart  
And I went and shot an arrow right through your heart  
But how those times have changed  
Cause now you don't remember my name

I'm sorry that I'm here so late  
And please don't turn my heart away  
For your love, I can change, cause without you, I'm so hollow  
I'm sorry that I let you go  
It's only when it's lost you know  
Seeing you, missing you, such a bitter pill to swallow  
No, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

I guess I played my cards too late  
Cause now my body can't take the weight  
And once we flew so high, oh  
But now I'm afraid to fly, oh oh oh

I'm sorry that I'm here so late  
And please don't turn my heart away  
For your love, I can change, cause without you, I'm so hollow  
I'm sorry that I let you go  
It's only when it's lost you know  
Seeing you, missing you, such a bitter pill to swallow  
No, oh, oh, oh, oh  
Oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh

I'm sorry that I'm here so late  
And please don't turn my heart away  
For your love, I can change, cause without you, I'm so hollow  
I'm sorry that I let you go  
It's only when it's lost you know  
Seeing you, missing you, such a bitter pill to swallow  
Seeing you, missing you, such a bitter pill to swallow  
No, oh, oh  
No, oh, oh
