

Hearts On Fire

Gavin James

Oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh oh oh oh oh

Strangers in my head
Keep making me forget
Where I came from
Where I came from
There's madness in our eyes
Too blind to realise
Just what we've done
Just what we've done

I feel it taking a hold
I feel a rush in my bones
For you....
I think we're caught in a fight
Can we make it alright?
With all these shadows on our backs
How can we take it back and

How can we love with our hearts on fire?
Is this enough or are we just burning?
Ashes to dust like a funeral pyre
Can we love with our hearts on fire?
Oh oh oh oh oh oh oh oh
How can we love with our hearts on fire?
Oh oh oh oh oh oh oh oh
How can we love with our hearts on fire?

Alone between the sheets
Down on these dirty streets
I lost my soul, I lost my soul
Such a losing game again
Between angels and demons
And I feel cold
I feel cold

I think we're caught in a fight
Can we make it alright?
With all these shadows on our backs
How can we take it back... oooooohhh

How can we love with our hearts on fire?
Is this enough or are we just burning?
Ashes to dust like a funeral pyre
Can we love with our hearts on fire?
Oh oh oh oh oh oh oh oh
How can we love with our hearts on fire?
Oh oh oh oh oh oh oh oh
How can we love with our hearts on fire?
Is this enough or can we go higher?
How can we love with our hearts on fire?
Is this enough or can we go higher?
How can we live if the world turns upside down?
It's too late to turn it back around?

Can we love with our hearts on fire?
How can we love with our hearts on fire

How can we love with our hearts on fire
Is this enough or are we just burning
Ashes to dust like a funeral pyre
Can we love with our hearts on fire
Oh oh oh oh oh oh oh oh
How can we live if the world turns upside down
It's too late to turn it back around
Oh oh oh oh oh oh oh oh
Can we love with our hearts on fire
How can we love with our hearts on fire
