

Heaven

Gavin James

We'd be okay to start over
If life could find an easy way
And I promise to be honest
If you tell me all the words to say

Way back when we were kids not knowing what love is
But we figured it out
We used to dance around the room, you standing on my shoes
Are you dancing now?

'Cause I'm in heaven
I'm in heaven
Oh, I'm in heaven
I'm in heaven

But I miss you alright
Oh, I miss you alright

If I told you that I'm sorry
Would you ever come up back to me?
Would you call me one last time
And fly above the clouds with me?

We'll remember we were kids not knowing what love is
But we figured it out

Now I'm in heaven
I'm in heaven
Oh, I'm in heaven
I'm in heaven

With all these lonely avenues
Reminding me of you
Where are you tonight?
'Cause I'm in heaven
I'm in heaven

But I miss you alright
Oh, I miss you alright
Yeah, I miss you alright
Yeah, I miss you alright

Is there a right time to say goodnight?
Oh oh oh oh
Is there a right time to say goodnight?
Whoa oh oh oh oh

(Is there a right time to say goodnight?)
'Cause I'm in heaven
Yeah, I'm in heaven
(Is there a right time to say goodnight?)
Oh, I'm in heaven
Yeah, I'm in heaven

With all these lonely avenues
Reminding me of you
Where are you tonight?

I'm in heaven
I'm in heaven
Yeah, I'm in heaven
I'm in heaven

But I miss you alright
Oh, I miss you alright
Yeah, I miss you alright
