

I Don't Know Why

Gavin James

I don't know why
I don't want anybody else but you
No one can ever add up two
What you want

A simple word
That I can never say to you
Things that I can never do
When I was younger

But I don't know
In which way the wind blows
But I know I'll be alright
And I don't know
If you think I'm crazy
But if you say maybe I
I'd say love don't wait in line
No, love don't wait in line

If I say
That I don't care what you do with him
If every time I lose you win
Then I'll be lying
But I'd better learn
Oh, I'd better learn to sink or swim
Cause the pieces of my heart are getting dim
But I'll find the light

And I don't know
In which way the wind blows
But I know I'll be alright
And I don't know
If you think I'm crazy
But if you say maybe I
I'd say love don't wait in line
No, love don't wait in line

Times they change
And our lives they rearrange
We were just a burning flame
With bad timing
Oh but love don't wait in line
No, love don't wait in line
In line oooh
