

Tired

Gavin James

I see those tears in your eyes
I feel so helpless inside
Oh love, there's no need to hide
Just let me love you when your heart is tired

Cold hands, red eyes
Packed two bags at midnight
We've been there for weeks
You don't know what could buy me
Just roll up the cigarette
And just forget about this mess

I'm waiting on the side lines
From the side lines

I see those tears in your eyes
But I feel so helpless inside
Oh love, there's no need to hide
Just let me love you in your hardest times
If your ghost pulls you apart
And it feels like you lost who you are
My love, there's no need to hide
Just let me love you when your heart is tired

Oh, you whisper "I'm alright"
Then I see through your white lies
And these walls don't talk
But if they could, they'd say
"You can't hide these secrets"
"You can't forget about this mess"

I'm waiting on the side lines
From the side lines

I see those tears in your eyes
But I feel so helpless inside
Oh love, there's no need to hide
Just let me love you when your heart is tired
If your ghost pulls you apart
And it feels like you lost who you are
My love, there's no need to hide
Just let me love you when your heart is tired

I know right now you feel a bit lost
I'm gonna try hard to pick you up
But it's a long way down
Yeah, it's a long way down
I know right now you feel alone
And all the good things they hurt the most
But it's a long way down
Yeah, it's a long way down
Down

Just let me love you when your heart is tired

If your ghost pulls you apart
And it feels like you lost who you are

My love, there's no need to hide
Just let me love you when your heart is tired
Just let me love you when your heart is tired
