

# Two Hearts

Gavin James

Here it comes  
Every red rose has its thorns that cuts  
Even the hardest of stones at worst  
You never hurt me no  
The story of our love intoxicated  
I woke up my thoughts of you have faded  
I never thought that this would hurt that much

Oh but I've been a fool  
So many times before  
Between me and you  
I'm not really sure what I'm looking for

Well maybe I have two hearts  
And one part wont give you up  
I'm the one that pulls the strings  
I've never been too good at these things  
'Cause I just need a kick start  
I'm tired of dreaming alone  
I think I better jump right in  
And finally let the hurt begin  
Well tell me when the hurt begins  
'Cause honey wont you let me in

I think that it's time that we talked about  
Things that we never could talk about  
Things I just couldn't say  
Oh but I've been a fool  
So many times before  
Between me and you  
I'm not really sure what I'm looking for

Well maybe I have two hearts  
And one part wont give you up  
I'm the one that pulls the strings  
I've never been too good at these things  
'Cause I just need a kick start  
I'm tired of dreaming alone  
I think I better jump right in  
And finally let the hurt begin  
Well tell me when the hurt begins  
Honey wont you let me in

(This is a story of a lonely heart)  
Oh (This is a story of a lonely heart)  
Honey won't you let me in  
(This is a story of a lonely heart)  
Oh (This is a story of a lonely heart)  
This is the story of a lonely heart  
Oh Oh wooh wooh

Cause I just need a kick start  
I'm tired of dreaming alone  
I think I better jump right in  
And finally let the hurt begin  
Well tell me when the hurt begins  
'Cause honey wont you let me in
