

When The Party's Over

Gavin James

Don't you know I'm no good for you?
I've learned to lose you, can't afford to
Tore my shirt to stop you bleeding
But nothing ever stops you leaving

Quiet when I'm coming home and I'm on my own
And I could lie, say I like it like that, like it like that
And I could lie, say I like it like that, like it like that

Don't you know too much already?
I'll only hurt you if you let me
Call me friend but keep me closer
And I'll call you when the party's over

Quiet when I'm coming home and I'm on my own
And I could lie, say I like it like that, like it like that
And I could lie, say I like it like that, like it like that

But nothing is better sometimes
Once we've both said our goodbyes
Let's just let this go
Let me let you go

Quiet when I'm coming home and I'm on my own
And I could lie, say I like it like that, like it like that
And I could lie, say I like it like that, like it like that
And I could lie, say I like it like that, like it like that
And I could lie, say I like it like that, like it like that
