Happier

Gavin Mikhail

Walking down 29-th, then park
I saw you in another's arms
Only a month we have been apart
You look happier

Saw you walking inside the park
He said something to make you laugh
I saw that both your's smiles were twice as big as ours
Yeah, you look happier, you do

Ain't nobody hurt you, like I hurt you
Ain't nobody love you like I do
But on instead I will not take it personal
Baby, if you're moving onto someone new

Cause baby you look happier, you do
My friends told me one day I will feel it too
And until then I will smile and hide the truth
That I know I was happier with you

Sat in the corner of the room
Everything's reminding me of you
There is an empty bottle
I am telling myself you're happier, aren't you?

Ain't nobody hurt you, like I hurt you
Ain't nobody needs you like I do
I know that there's others that deserve you
But my darling I'm still in love with you

I guess you look happier, you do
My friends told me one day I will feel it too
I will try to smile and hide the truth
But I know I was happier with you

Baby, you look happier you do
I knew one day you will fall for someone new
But if he breaks your heart, like lovers do
Just know that I will be waiting here for you
