

When I'm Gone

GAWNE

Will you miss me when I'm gone?
Will you miss me when I'm gone?
'Cause I waited so
Fucking long for you to fix my heart
And I know it's nothing as it seems
Still, you brought me to my knees
Baby, I cannot feel this anymore

I feel so hollow, I feel so hollow
I lost the battle, I lost the battle
I lost the battle

So I'm screaming out why, why?
I don't wanna say goodbye, bye
Every fucking day and night, night (night or day)
I cry myself to sleep
Miss me when I'm gone
I'm not strong
Don't belong
When I'm gone
