Run and tell my bros I feel right at home
This that "Watch the Throne"
I'm about to blow
Run and tell my bros I feel right at home
Tres million, I'm old
Thank God for this road
Run and tell my bros I feel right at home
This that "Watch the Throne"
I'm about to blow
Run and tell my bros I feel right at home
Tres million I'm old
Thank God for this road, oh

Whippin on the streets so fraud
I been on the fence too long
Switch it up
Strange, oh my
Runnin' from the things that lie
Runnin' from quite some time
Don't even try
I can finally breathe
I can finally breathe
Run and tell my bros
9-5, what do I do it?
4, I'd rather live righteous
Yeah, Jesus my guidance
Ready to curve (skrtrt)
I'm ready to swerve (skrtrt, skrtrt)
This is goodbye, I'm ready to shine
This is my word

Aah, aah
Na-na-na, na, na
I can finally breathe, oh yeah
Drownin' in love, I'm on top
Don't ever tell me I'm lyin'
I can, I can finally breathe

Run and tell my bros I feel right at home
This that "Watch the Throne"
I'm about to blow
Run and tell my bros I feel right at home
Tres million, I'm old
Thank God for this road
Run and tell my bros I feel right at home
This that "Watch the Throne"
I'm about to blow
Run and tell my bros I feel right at home
Tres million I'm old
Thank God for this road, oh

El amor de Dios es original y no feka
Porque el me amó primero antes de nacer (ah)
Sostiene mi mano para así yo no caer (ah)
No me falta nada porque tengo todo en él ya
Dime que lo qué, 'tamo en otro nivel
Aquí somos hermanos y no nos avergonzamos, like doble uno seis

Oyeme parceró, que lo sepan en todo tu guetto
Tengo familia en el mundo entero
Hijos de aquél que murió en el madero
Oye, ahora tengo una familia donde todos velan por mi
Con todos aquellos defectos que tengo, me aceptan allí
El mejor estilo de vida que tengo es éste que dejé
En dónde a mi tengo que morir primero para yo vivir

Aah, aah
Na-na-na, na, na
I can finally breathe, oh yeah
Drownin' in love, I'm on top
Don't ever tell me I'm lyin'
I can, I can finally breathe

Run and tell my bros I feel right at home
This that "Watch the Throne"
I'm about to blow
Run and tell my bros I feel right at home
Tres million, I'm old
Thank God for this road
Run and tell my bros I feel right at home
This that "Watch the Throne"
I'm about to blow
Run and tell my bros I feel right at home
Tres million I'm old
Thank God for this road, oh
