

# IMPERIUM

GAWVI

I need Your energy  
I need Your frequency  
Cause You already are the thing, You make a better me  
I need You to stay, I just want you to stay  
I've been running so far when I need You  
Oh, yeah it's always so hard if I can see You  
Oh, nothing's the same, swerving in lanes  
Only with You is where I feel safe  
Now that I'm faith is what we all chase  
Oh, I feel it now imperium, I need You now imperium  
You are enough imperium, You are my love imperium

I need Your energy  
I need Your frequency  
Cause you already are the thing, You make a better me  
I need you to stay, I just want you to stay  
I feel it now imperium, I need You now imperium  
You are enough imperium, You are my love imperium  
Imperium  
Ooh, ooh

Can you feel it?  
Can you feel it?  
All around  
It's the moment  
We can own it  
Can you feel it?  
I feel it now imperium, I need You now imperium  
You are enough imperium, You are my love imperium (ooh, ooh)  
Imperium
