Lil JIT (Woah, woah)
Lil JIT (Yeah, yeah)
Lil JIT (Woah, hey, hey)

I got busy with the noise
Crucify the boy
Heathen with the slug
Singing with the Drake
I talked to me plenty times
Hop on 95
Broward 'til I die
Dime, que lo que
Down Commercial boulevard
Shouting out to God
At that point in time
That's when I was saved
Heathens on the rise
Leaking in the door
I got t-t-t-t-t
Mhm, mhm, mhm
I got the filet mignon
They tryna beef with the dime
I used to work at the line
When I would work at the mall
I got big top, ayy, I'm in tip-top shape
Heard a "brrrt," it was God
Told me keep that faith
I got big plans
Hit the David dance
I gotta a slingshot
Let that thing talk
Lil JIT (Who raised you?) (Woah, woah)

Lil JIT, who raised you? (Woah, woah)
