

# Never Fails

GAWVI

This ain't a game for me  
I hardly ever sleep  
'Cause I been trying to find the words  
To explain the things that you do to me  
I love you so bad that it hurts

I'll just sing and worship  
But that ain't enough, no  
That ain't enough, no  
Created to your purpose  
But that ain't enough, no  
That ain't enough

I just wanna be better, be better for you  
Wish I understood more of your grace  
Oh, your love  
Yes, your love

And it never fails  
Yeah, yeah, yeah, yeah  
Oh, and it never fails  
Yeah, yeah, yeah, yeah

I never get to see, see the good in things  
Oh, I been lonely and left cold  
Feeling paralyzed, but now I realize  
It wasn't unconditional

I'll just sing and worship  
But that ain't enough, no  
That ain't enough, no  
Created to your purpose  
But that ain't enough, no  
That ain't enough

I just wanna be better, be better for you  
Wish I understood more of your grace  
Oh, your love  
Yes, your love

Oh, and it never fails  
Yeah, yeah, yeah, yeah  
Oh, and it never fails  
Yeah, yeah, yeah, yeah

You loved me, now I, all I do is love you more  
Not gonna love like this, oh, love like this, I need you more  
You loved me, now I, all I do is love you more  
Not gonna love like this, oh, love like this, I need you more

I just wanna be better, be better for you  
Wish I understood more of your grace  
Oh, your love, yes, your love

Oh, and it never fails  
Yeah, yeah, yeah, yeah  
Oh, and it never fails

Yeah, yeah, yeah, yeah

You loved me, now I, all I do is love you more  
Not gonna love like this, oh, love like this, I need you more  
You loved me, now I, all I do is love you more  
Not gonna love like this, oh, love like this, I need you more
