

Hold on, hold on, hold on  
Ayy, oh, ayy, oh, hey, oh, c'mon  
Hold on, hold on, hold on  
Say what? Ayy, Say what? Oh, ayy, oh  
Yeah, woah, woah

I told my momma as-salamu, I'm a make it and never forget her  
Stackin' bread and stackin' the cheddar  
Who woulda known I would have traveled over writing letters  
Who woulda known I would have a job making these instrumentals, yeah, woah  
Some days are better than others  
I know I was the shoulder for the tears of my mother  
This around the time when my parent's divorced  
Same time when my faith finally takin' course, yeah  
My biggest fear is losin' my wife and all my Christians heroes, yeah they ch  
eated once or twice  
Makin' me think if I'm next inline  
If my light gon' shine? Do my eyes go blind?  
I know the devil wanna the sign that's on my name  
Growing up, trying to find my way  
I'm just tryna dodge the flames  
I been gettin' tied away, I'm tryna wait

Hold on, hold on, hold on  
Do you ever see inside?  
Do you ever see inside?  
Hold on, hold on, hold on  
Do you ever see inside?  
Do you ever see inside? See inside

Yeah, woah, woah, I told my people that the root of evil is the love of mull  
ah  
Gems of wisdom in my head, you can ask the jeweler  
I had to get it through my thick skull, Momma  
Before the snakes slitherin', gotta dug Medusa, usa  
Why we do God, we gotta lose uh  
And from the jump, I was trying not to be a nuisance  
Who dat? Who dat? The heathen that was lost then found  
Yeah, yeah, I had an episode, yeah, I had enough  
Hope they understand my words at the Dove's, yeah  
You thought that went crazy on the keyboard  
'Til you see me with the homies at the front door  
Got it, Timmy Timmy, we gon' eat  
Hope it ain't the last supper that we gon' feast  
They tryna to kill like Jesus at 33  
I hope they see me as the brother not the enemy

Hold on, hold on, hold on  
Ayy, oh, ayy, oh, hey, oh, c'mon  
Hold on, hold on, hold on  
Ayy, oh, ayy, oh

Hold on, hold on, hold on  
Do you ever see inside?  
Do you ever see inside?  
Hold on, hold on, hold on  
Do you ever see inside?

Do you ever see inside? See inside
