

Different Kind Of Blue

Gay Dad

When I woke up dreaming

Everything seemed real

Seamless fascination

Just rolling on

If you knew her like I do

You would say the same thing too

Me and you

We make a different kind of blue

Leave the window open

Somethings in the room

I could hear it whisper

Just come along

But if you knew her like I do

You would say the same thing too

Me and you

We make a different kind of blue

It's a boy thing

Like a girl thing

It makes my head sing

It's the real thing

But if you knew her like I do

You would feel the same way I do

Me and you

We make a different kind of blue

It's a boy thing
Like a girl thing
It makes my head sing
It's the real thing

And it's a boy thing
Like a girl thing
It makes my head sing
It's the real thing

And it's a boy thing
Like a girl thing
It makes my head sing
It's the real thing
