

Oh Jim

Gay Dad

Nobody made you do what you've done

Nobody told you what you'd become

If you believe that you get what you gave

Don't turn around, just give it away

Oh Jim, oh Jim, can you feel the pain I'm in?

Oh Jim, oh Jim, can I leave it all behind?

I'm okay when you're okay

I feel fine when you feel fine

Got no pain, no sense, no shame

Roll on by and put a smile on my face

Oh Jim, oh Jim, can you feel the pain I'm in?

Oh Jim, oh Jim, can I leave it all behind?

So how does it feel to be free?

So far away, I wish it was me, yes, I wish it was me

Oh Jim, oh Jim, can you feel the pain I'm in?

Oh Jim, oh Jim, can I leave it all behind?
