

god has a sense of humor

GAYLE

When I was thirteen, a friend of mine died
That's when I realized that we aren't here forever
And I wonder what she saw when she got to the other side
Was she pleasantly surprised, were all her questions answered?

'Cause I look up at the sky and I feel no comfort
I look down at the ground and think

There's no right or wrong, it's just a little complicated
There's no rhyme or reason 'cause it's only what you make it
I could cry about it or just laugh until I choke
God's got a sense of humor
'Cause no one's good or bad, it's just we don't know what we're doin'
The world's a scary place and we're all stuck here being human
Guess it's kinda funny that there's things I'll never know
God's got a sense of humor and I'm not in on the joke

When I was fifteen, I didn't wanna cope
Didn't wanna find hope, 'cause there's just so much pressure
To try and be happy when you're out of control
'Cause you're so vulnerable, and the world's on fire

And I look up at the sky and I feel no comfort
I look down at the ground and think

There's no right or wrong, it's just a little complicated
There's no rhyme or reason 'cause it's only what you make it
I could cry about it or just laugh until I choke
God's got a sense of humor
'Cause no one's good or bad, it's just we don't know what we're doin'
The world's a scary place and we're all stuck here being human
Guess it's kinda funny that there's things I'll never know
God's got a sense of humor and I'm not in on the joke

Every time I get down on my knees
And I pray I just end up feeling more alone
God, I need somethin' to believe in
But the more that I try, the more that I don't
Guess that's how it goes

'Cause there's no right or wrong, it's just a little complicated
There's no rhyme or reason 'cause it's only what you make it
I could cry about it or just laugh until I choke
God's got a sense of humor
'Cause no one's good or bad, it's just we don't know what we're doin'
The world's a scary place and we're all stuck here being human
Guess it's kinda funny that there's things I'll never know
God's got a sense of humor and I'm not in on the joke
