

Tears for Galileo

Gazebo

An early morning in 89' you swept across the atmosphere again a
satellite to breach through the sky...

Flyby orbits, checking moons you never left your sities too soon

Ida and Gaspar asteroids they broke their veils...

Just

Tears for Galileo oh I want to shed my tears for Galileo

Tears for Galileo oh how can this be tears for Galileo?

I can't forget it, it's in my mind September 21st 03 from then

I've never seen that spot anymore

Goodbye my old friend, farewell ...

on Jupiter you've found your end my friend

And every time your data's keep reminding me...

Those

Tears for Galileo oh I want to shed my tears for Galileo

Tears for Galileo oh how can this be tears for Galileo?

Another spacecraft in the night

Another voice from mankind

Another drop of water in the endlessness of time

Tears for Galileo oh I want to shed my tears for Galileo

Tears for Galileo oh how can this be tears for Galileo?
