What Did I Do?

Gazpacho

It's too late to explain it now you see
Forced to submit to your policies
Slipping focus fade away
Sure you'll understand someday

What have you done?
What have you done?

It's too late for a message that's been sent
It's too late for the needle that knows how to mend

What did I do?
What did I do?

What did I do?
What did I do?
