

Gone

Geddy Lee

[Verse 1]

Suns in my eyes (in my eyes)
Feels like an hour (hour)
I just can't believe
There is such a power
There's such a power as this

[Chorus 1]

Gone
Gone
Gone
Gone

[Verse 2]

I toss in my sleep
Thoughts just keep coming
Desire to keep
Your pictures are falling
Your pictures are falling from you

[Chorus 2]

Gone
Gone
Gone
Are you gone?

Gone
Are you gone?
Gone

[Verse 3]

I lose my breath
I cannot breathe
You're such a fool
I can't believe (can't believe)

[Verse 4]

The sun cannot rise
There is no need
Let the rain keep falling
As if the universe needs
Let the universe bleed on me

[Chorus 2]

Gone
Gone, gone
Gone
Are you gone?
Gone
Are you gone?
Gone!
