

Area

Geko

We were kids, we have hope and prayer
Held tight when the rope was there
In my area, in my area
There were days when shit got scarier

There was bitches all over the kid from young
They knew that falling from my shit was long
It was beat and dust, sleep and fuck
Leave 'em brook, the reason was

We didn't believe in love in my area, in my area
Popo had my bros in cuffs in my area, in my area
We didn't believe in love in my area, in my area
Popo had my bros in cuffs in my area, in my area

Figures don't lie, I would keep doin' numbers
Still fuckery, giving gyal cucumbers
My g's got the lind, your boyfriend's the runners
On the block, the funky md's on us

Living life like I'm supposed to
Toast up, toast down, me a toast too
Bros said they wan' ghost you
Just stay around the people you close to

Shame you blamin' others, likkle greedy motherfuckers
Ooh, yeah, yeah
Swear on my mudder's love, my family and my brothers
Ooh, yeah, yeah

We were kids, we have hope and prayer
Held tight when the rope was there
In my area, in my area
There were days when shit got scarier

They said bye, now it's hi to me
Big trek, that's irony
I have demons fighting my soul
I have angels piling my goal

Spontaneous, that's so true
Unpredictable and social
Close up, close down, me a close you
They told me to tell you, I told you

Meet me under covers girl, the cover right above us
Ooh, yeah, yeah

We were kids, we have hope and prayer
Held tight when the rope was there
In my area, in my area
There were days when shit got scarier

There was bitches all over the kid from young
