

Dangerous Love

Geko

Girl you got that dangerous love, that dangerous love
Girl you got that dangerous love, that dangerous love

Remember the first time that I met you girl
Your eyes told me you could be my world
Girl we have dangerous connection
Making love we got dangerous affection
Everytime I look in your eyes
It's like you got something to hide
Maybe some words of wisdom
I look away and we end up kissing
How much fun do we have together
You know what we have stay tough like never
I really do hope we will last forever
Cause everytime I think of you, you got me screaming

Oh my days
I must've you call my name
How about you come my way
I wanna get you on my wave
Call me I'll be on my way
See the look that's on my face
I can't even look at you right
Cause everytime I do I fallen inside

C'mon girl you got that dangerous love, that dangerous love
Girl you got that dangerous love, that dangerous love
C'mon girl you got that dangerous love, that dangerous love
Girl you got that dangerous love, that dangerous love

You know how much people betray me before
They left me alone in this world full of war
I hope you're all in good intention
And equal to the good I'm sending
Don't do it to me girl
Don't don't don't leave me here in this world of sins
I need you girl c'mon squeeze me in
You know we forget everything we go through
Just hold onto me there's a world I'll show you
Test of life, like the bad they throw you
Everytime I think of you, you got me screaming

Oh my days
I must've you call my name
How about you come my way
I wanna get you on my wave
Call me I'll be on my way
See the look that's on my face
I can't even look at you right
Cause everytime I do I fallen inside

C'mon girl you got that dangerous love, that dangerous love
Girl you got that dangerous love, that dangerous love
C'mon girl you got that dangerous love, that dangerous love
Girl you got that dangerous love, that dangerous love

Dangerous lovin' I'm afraid of dangerous lovin'

Well maybe you can help my fears come over I can wipe your tears

Dangerous lovin' I'm afraid of dangerous lovin'

Well maybe you can help my fears come over I can wipe your tears

C'mon girl you got that dangerous love, that dangerous love

Girl you got that dangerous love, that dangerous love

C'mon girl you got that dangerous love, that dangerous love

Girl you got that dangerous love, that dangerous love
