Geko

I'm a sucker for a lady like you  
Make young man have a baby by you  
Usually I get a friend text me sayin' "beef in the ends" and he saves me by  
2am  
And now I'm with you all night, all night  
You make it feel alright, alright  
Emergency call type, call type  
Got really locked, way you do me in  
If you try get away Ima pull you in  
Man can't come near, I'll do him in  
I don't care what size, what crew he in

I be out with the mandem, man  
When she calls I'm cancelling mandem plans, ay  
'Cause I really wanna see my girl  
You would do the same thing if you see my girl, ay

She make me go mad and she really done changed me  
And I found me a diamond so them man hate me  
Found a di-di-di-di-diamond  
Found a di-di-di-di-diamond oh  
Found a di-di-di-di-diamond  
Found a di-di-di-di-diamond oh

You used to stunt like you don't know me  
So I had to creep in there slowly  
Now I got you by my side, in a ride, Bonnie & Clyde  
Not a day you don't phone me  
I know  
See me, get a butterfly feeling  
I can give you that summer time feeling  
Cocktails on the beach, have a song on repeat, that's summer time healing

I be out with the mandem, man  
When she calls I'm cancelling mandem plans, ay  
'Cause I really wanna see my girl  
You would do the same thing if you see my girl, ay

She make me go mad and she really done changed me  
And I found me a diamond so them man hate me  
Found a di-di-di-di-diamond  
Found a di-di-di-di-diamond oh  
Found a di-di-di-di-diamond  
Found a di-di-di-di-diamond oh

I'll give you, I'll give you every night every day, yeah yeah  
Give you, I'll give you, I'll give you every night every day, yeah yeah
