

Don Daddy

Geko

She know I'm the don daddy
Foreign and sweet, said she from Paris
Love her covers and she love Cali
Might take me no cap no Bali

We keep it on a down low
I think that I found my, found your love
Keep it on a down low
Think I found my, found your love

If you want a rubbin' and huggin', I got ya
If you want a loving, just love me, I love ya
If you want a rubbin' and huggin', I got ya
If you want a loving, just love me, I love ya

My baby, yeah yeah
Always on my mind day and night
My baby, yeah yeah
Always on my mind day and night

My baby, yeah yeah

Keep it in a down low
Don't tell nobody I'm an outlaw
Turn off them lights with them lights fall

She know I'm the don daddy
And she got an attitude and she somebody
She make a man go cra [?]

Crazy fighting
Bad ting, bad ting, bad ting, bad ting, bad
Turn off the lighting
Stead, instead, instead, instead, instead

Crazy fighting
Bad ting, bad ting, bad ting, bad ting, bad
Turn off the lighting
Stead, instead, instead, instead, instead

She know I'm the don daddy
Foreign and sweet, said she from Paris
Love her covers and she love Cali
