

# Ghetto Queen

Geko

I know a few people wanna end me  
But my Lord will defend me  
Wanna end me  
Will defend me  
G-G-Ghetto Queen Ghetto Queen

I know a few people wanna end me  
But my Lord will defend me  
I just want a yard and a Bentley  
Stay calm and I get myself a  
Ghetto Queen [x4]  
I said  
Ghetto Queen [x4]

Your body's banging when your round  
Its like a burners on the block  
No long ting the times really hurting on my clock  
Got this money to be made but this twerking had me locked  
Had my hand up on your mmm  
While your working on my ayay  
I don't believe all your trap rat  
Everybody wanna squeeze on the rap track  
I just wanna go and leave no satnav  
On the beach na na ni na na na na  
Girl go wrecky tell her baby just cool  
Imma teach you some things they don't teach you in school  
If you wanna play games, I only got one rule  
That's bend straight over and take that tool

I know a few people wanna end me  
But my Lord will defend me  
I just want a yard and a Bentley  
Stay calm and I get myself a  
Ghetto Queen [x4]  
I said  
Ghetto Queen [x4]

Ghetto Queen  
Never seen  
Nuttin like that before no way  
Big machine hella mean I will give you for sure  
No play, No play, No play no games  
The machine available all everyday  
Baby lets try something new, if you give me your time  
I'll give you something to  
You can bump my tunes while I'm bumping you  
While I'm bumping you, You know you're my queen for life  
Ghetto queen B you are my wife

I know a few people wanna end me  
But my Lord will defend me  
I just want a yard and a Bentley  
Stay calm and I get myself a  
Ghetto Queen [x4]  
I said  
Ghetto Queen [x4]
