

# Heartless

Geko

I guess you're allowed to call me heartless  
I didn't mean to hurt you regardless  
I don't understand where it came from  
Now I got you listening to sad songs  
I guess you're allowed to call me heartless  
I didn't mean to hurt you regardless  
Pretending to love you I was mad wrong  
Broke your heart now I'm on a mad one

Yo the best thing to do so the road is mad Long  
Cos you're raw outside you got me thinking I'm the bad one  
Never really liked you anyway I out an act on  
Tried not to hurt you now you listening to Sad songs  
Now you're at home the love has got you thinking  
Trying to get Geko out you're mind by the drinking  
Thought I wouldn't leave you cos your nice little slim ting  
I'm just sat there feeling free with no stress or whining  
Sleepless nights cos you say your heart is broken  
Thats why you don't let anybody in, you left it open  
Now I'm kinda scared to long cos Karma is a Bitch  
And I broke your heart and now my heart is gonna get hit  
Why did you have to fall for me that fast  
I'm a prick for pretending now I'm having flashbacks  
Thinking what I did was wrong  
I hope you feel it when you hear this song

I guess you're allowed to call me heartless  
I didn't mean to hurt you regardless  
I don't understand where it came from  
Now I got you listening to sad songs  
I guess you're allowed to call me heartless  
I didn't mean to hurt you regardless  
Pretending to love you I was mad wrong  
Broke your heart now I'm on a mad one

Yo Geks yeah I know you didn't like me  
I can tell by the way you avoided to be beside me  
Now I'm sat here writing texts but I don't send them  
Cos even though I want you back I feel my love is ending  
I remember when we had our own time  
I used to look into your eyes thinking you were all mine  
I used to be alone dreaming of our own child  
Biting on my finger cos the dreaming had me so high  
We used to chat about the future together  
Now you're telling me to go off and find another breader  
All I did was show you love like I never  
But now the tears have got my pillow getting wetter  
I hope you fall hard for the next girl  
So she can break your heart to that next world  
In fact, I hope you have a good life  
But it hurts to say I could of been a good wife

I guess you're allowed to call me heartless  
I didn't mean to hurt you regardless  
I don't understand where it came from  
Now I got you listening to sad songs  
I guess you're allowed to call me heartless

I didn't mean to hurt you regardless  
Pretending to love you I was mad wrong  
Broke your heart now I'm on a mad one
