

Looking At Me

Geko

It's JP Soundz

Oh no, too late
I can tell from a phone call away
I-I-I-I know the way
Did you not hear me say? Yeah

Looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
Asking for trouble if you're looking at me

Keep your eyes over there
You don't want them over here, no
Cause you just cannot care
I want more every time you stay now, oh
Girl wet like tsunami
You chase me like federale
Love me more than everybody
Don't play me, you're my money

You come through when it's handy enuh
Come do with this handy brother
He comes through when he's [?], oh

Oh no, too late
I can tell from a phone call away
I-I-I-I know the way
Did you not hear me say? Yeah

Looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
Asking for trouble if you're looking at me

Every time you see me going
You don't wanna be with me away
I'm not free no more, no way
Told you don't look like you need me all day
Behave girl, you're acting naughty
You don't want, you don't want to party
Don't move, no karate
Girl, whine up your body
Want me around
I know that you want me around
Put you in, make you sing me a song
I know when you're making a sound

Oh no, too late

I can tell from a phone call away
I-I-I-I know the way
Did you not hear me say? Yeah

Looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
Asking for trouble if you're looking at me

Looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
It's dangerous if you're looking at me
Asking for trouble if you're looking at me
Asking for trouble if you're looking at me
